W Bely. (19th and Coast.)

would like one copy of

Propellants Transcript.

Also he says the same people
at Battelle are still working
in this field and that as
far as his office is concerned,
it would be appropriate
for the transcripts to go
(over)

directly to Battelle
provided a letter to
Battelle notifying them
that this is being
done.

Use former Battelle list of
persons and addresses.
